**Declaration of
Independence**

Bill of Rights

United States Flag

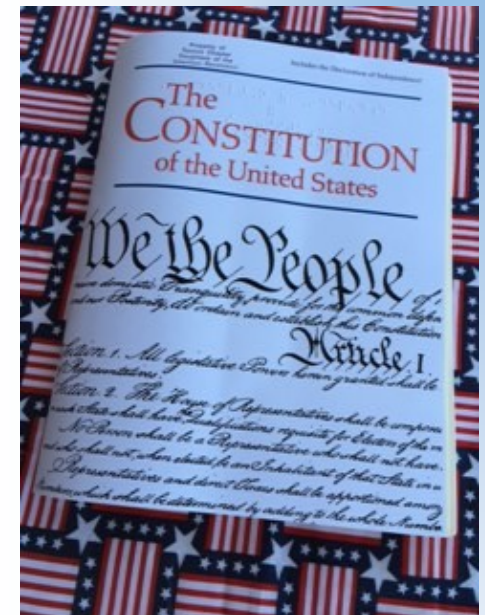

Scheduling Information

The trunk may be reserved for two to four weeks at a time. A DAR representative delivers and picks up the trunk at a time convenient with your classroom schedule. There is no cost for the use of the trunk. We only ask that you complete an inventory checklist of the trunk items prior to returning the trunk.

Purpose and Who We Are

The Stars and Stripes Traveling Trunk has been put together by the Tucson Chapter of the National Society of the Daughters of the American Revolution (NSDAR).

Our organization's mission statement is threefold: to preserve American History, to secure America's future through better education for our children, and to promote patriotism.

Our purpose in creating this trunk is to provide the teacher with additional educational tools that would supplement existing lesson plans on the United States Constitution, Declaration of Independence, The Bill of Rights and the United States Flag.
